We are very happy to have you consign with our store! Thank you. We will do our best to provide you with an excellent store in which to shop and consign. **It is very important to sort your items well.** Item defects are sometimes found at a later date during tagging or after they are on the racks, these items will be donated with no notice given.

1) Labels Women's Consignment will determine the items to be accepted for resale in our store. The items we accept are driven by what sells and customer preferences as well as seasonality. Our top priority is to keep our customers and consigners happy. Before consigning your items, be sure that if any item is expensive and/or you require a minimum amount from it that you tell the store clerk. We keep our prices very reasonable so be sure that you want to part with the item before consigning it. We price your items approximately 1/3-1/4 of retail. We look retail prices up on the internet and factor in the condition of the item.

2) The consignment split is 60/40 of the selling price less a .50 cent per item fee paid by the purchaser. We pay 40% commission on clothing and home décor items. We accept only CLEAN, CUTE and CURRENT items with no stains, rips, musty or smoke smell. Washed and folded items in a bag works best for us. They must be in good selling condition and within the last few years of purchase. If any items are found to have defects (holes, stains etc.) after first inspection, we reserve the right to donate them to charity. Housewares need to be in good sellable condition, working electronic items, and useful items with purpose.
